

Harvard Medical School/Harvard School of Dental Medicine
Curriculum Vitae

Date Prepared: June 28, 2022
Name: David S. Bickham, PhD
Office Address: 1 Autumn Street, RM 507; Boston, MA 02115
Home Address: 85 Farquhar Street, Roslindale, MA 02131
Work Phone: (617) 355-6031
Work Email: david.bickham@childrens.harvard.edu
Work FAX: (617) 730-0004
Place of Birth: Wellsboro, PA; USA

Education

05/1995	BA	Psychology	Haverford College
05/2000	MA	Human Ecology	University of Texas
08/2004	PhD	Human Ecology	University of Texas

Advisor: Dr. Elizabeth Vandewater

Postdoctoral Training

09/04-06/07	Postdoctoral Researcher	Media and Children's Health (Dr. Michael Rich)	Boston Children's Hospital
-------------	-------------------------	---	----------------------------

Faculty Academic Appointments

09/04-present	Instructor	Pediatrics	Harvard Medical School
11/20-present	Instructor	Department of Social and Behavioral Sciences	Harvard T. H. Chan School of Public Health

Appointments at Hospitals/Affiliated Institutions

07/07-present	Research Scientist	Adolescent/Young Adult Medicine	Boston Children's Hospital
---------------	--------------------	---------------------------------	----------------------------

Other Professional Positions

1997-2004	Research Assistant	The Center for Research on Interactive Technology, Television and Children The University of Texas at Austin
-----------	--------------------	---

2001	Research Assistant	Sesame Workshop	
2001	Summer Research Intern	Nickelodeon	
2002	Teaching Assistant	The University of Texas at Austin	
2008-2010	Symantec Advisory Board Member for Norton Online Family	Symantec Inc.	
2009-2012	Start Strong Intimate Partner Violence Reduction Program Advisory Board Member	Boston Public Health Commission	
2012-2014	Advisory Board for NSF grant "Creating Communities of Learners for Informal Cognitive Science Education"	Boston Museum of Science	
2015-Present	Institute Member	Institute of Digital Media and Child Development	2 days per year
2022-	FitBit External Advisory Board	Google	10 days per year

Major Administrative Leadership Positions

2018-present	Director, Pre-Scientific Review for Adolescent Medicine	Division of Adolescent/Young Adult Medicine, Boston Children's Hospital	
2019-present	Co-Director, Leadership Education in Adolescent Health (LEAH) Summer Research Module	Division of Adolescent/Young Adult Medicine, Boston Children's Hospital	
2020-present	LEAH Director of Research Training	Division of Adolescent/Young Adult Medicine, Boston Children's Hospital	

Committee Service

Local

2010-present	Health Communication Concentration Steering Committee	Harvard T.H. Chan School of Public Health	
2010-present	Bullying and Cyberbullying Prevention and Advocacy Collaborative (BACPAC) Member	Committee member Boston Children's Hospital	
2014	2010-present Digitally Connected International Symposium April, 2014	Consulting committee member Berkman Center for Internet and Society, Harvard Law School	
2014	Harvard Social Media and Global Health work group September, 2014	Working conference participant Harvard Global Health Institute Open-space conference participant	
2021-2022	Faculty Hiring Committee	Boston Children's Hospital, Division of	

December, 2021-present

Adolescent and Young Adult Medicine

National and International

2013	White House Convening on Food Marketing to Children September, 2013	White House Domestic Policy Council Invited Participant
2015	Depression/Anxiety small working group October 2015	National Academy of Sciences and Digital Media and Developing Minds Small Group Leader

Professional Societies

1999-2002	Southwest Society for Research in Human Development	Member
2002	National Council on Family Relations	Member
2007-2012, 2017-Present	Society for Adolescent Health and Medicine	Member
2013-Present 2014-2015	American Public Health Association	Member Health Communication Working Group Program Planning Committee Member
2003-Present	Society for Research on Child Development	Member
2005-Present	International Communication Association 2007, 2015, 2018, 2019 2018, 2019	Member Abstract Reviewer Reviewer, Best Student Paper
2018-Present	American Psychological Association	Member Abstract Reviewer

Grant Review Activities

2008	Informal Science Education 2008	National Science Foundation Ad hoc member
2009	Ready to Learn 2009	Department of Education Ad hoc member
2015	Special Emphasis Panel, NIH R15 Academic Research Enhancement Award program 2015	National Institutes of Health Ad hoc member
2019	Shape of Health Challenge Review Committee 2019	Department of Health and Human Services, Office on Women's Health

Other Editorial Roles

2015	Issue co-editor	<i>American Behavioral Scientist</i>
2015-Present	Editorial Board Member	<i>Journal of Children and Media</i>
2018-2020	Editorial Board Member	<i>Applied Developmental Science</i>
2019-Present	Encyclopedia Section Editor	<i>Encyclopedia of Child and Adolescent Health</i>

Honors and Prizes

1993	Gertrude Heller Grant	Haverford College	Awarded in recognition of dedicated service to children with mental disabilities
2001	University Continuing Fellowship	University of Texas at Austin, Graduate School	Granted in recognition of accomplishments during graduate school and plans proposed for the fellowship

2004	Departmental Career Development Award	University of Texas at Austin, Department of Human Ecology	year Awarded in recognition of research accepted for presentation at academic conferences
2012	Living Laboratory Scholarship	Boston Museum of Science	Awarded in recognition of research and educational dedication at the Museum of Science
2019	Estherann Grace Teaching Award	Boston Children's Hospital, Division of Adolescent/Young Adult Medicine	Awarded for outstanding teaching in the Division of Adolescent/Young Adult Medicine

Report of Funded and Unfunded Projects

Funding Information

Past

2005-2007	MediaSmart Schools: Media Literacy as Health Intervention Cabot Family Foundation Co-Investigator (PI: Michael Rich) Evaluate and assess the success of a media literacy curriculum in the Manchester New Hampshire School district using focus groups and a pre-test post-test survey design.
2006-2008	Connect with Kids: Washington DC and Northern Virginia In-School Evaluation Sprint Co-Investigator (PI: Michael Rich) Determine the effectiveness of an in-school intervention that uses professionally produced video segments in combination with classroom training to encourage positive social behaviors in children and young adolescents
2006-2008	IKeepSafe Parent Project: Developing Tools to Motivate Parents to Protect Their Children Online Subcontract of a grant provided by the US Office of Juvenile Justice and Delinquency Prevention Co-Investigator (PI: Michael Rich) Evaluate the effectiveness of an online intervention designed to educate parents about strategies for protecting their children as they use the Internet.
2008-2010	Take the Challenge Curriculum Evaluation Delta-Schoolcraft Intermediate School District, Escanaba Michigan Co-Investigator (PI: Michael Rich) Use a multi-school, longitudinal quasi-experimental design to evaluation an educational program collecting data from students, parents, and teachers.

- 2008-2012 Boston Public Health Commission: Building Healthy Teen Relationships
Robert Wood Johnson Foundation
Collaborative Investigator (PI: Boston Public Health Commission)
Collaborate with the leaders of the Boston site of the Start Strong initiative to plan and design the media education and community communication campaign for their relationship violence reduction program.
- 2008-2010 Measuring Youth Media Exposure
NIH R21HD054734
Co-Investigator (PI: Rich)
Use and validate a multi-method approach to assess young people's media exposure and its associations with numerous health outcomes including obesity, substance use, and attitudes toward sexual behaviors.
- 2009 Cyberbullying among University Students
Calgary Institute for Children and the Family
Principal Investigator of sub-contract (\$9,832)
Use a survey to study the experience of cyberbullying among University students.
- 2009-2010 Media Power Youth Health-Focused Media Literacy Intervention: Enhancing the Evaluation
Substance Abuse and Mental Health Services Administration
Principal Investigator of sub-contract (\$15,000)
Design and implement an evaluation using quasi-experimental methods that advances the current scientific evidence of effectiveness of the MediaSmart media literacy curriculum.
- 2011-2012 CyberHero Mobile Cell Phone Safety Curriculum Design and Assessment
Internet KeepSafe Coalition
Principal Investigator (\$45,216)
Develop a curriculum for teaching young people safe and healthy cell phone use and translate this curriculum into an online video game delivery system. Assess the success of the program.
- 2010-2012 The Impact of AdvergAMES on Food Choice: Implications for Obesity and Nutrition Interventions
Children's Hospital Boston Clinical Research Program
Principal Investigator (\$79,791)
Conduct research that uses an experimental design to test the varying impact of online interactive food ads associated with their level of product integration. Children ages 7 to 9 provide self-reports about their desire for foods and their nutritional beliefs as well as participate in food behavior choice measures after playing one of three randomly assigned advergAMES.
- 2013-2014 An educational service program to create a youth generated video social marketing campaign to reduce HIV/AIDS among young African Americans
Aerosmith Endowment Fund at Boston Children's Hospital
Co-Principal Investigator (\$5,306)

Design and deliver a service and research project that develops and tests a curriculum in which African American adolescents write, produce, and film a public service announcement about HIV prevention.

- 2014-2015 REELization: A service project to develop effective youth-generated HIV prevention media messages
Aerosmith Endowment Fund at Boston Children's Hospital
Co-Principal Investigator (\$8,501)
Design and deliver a service and research program that works with African American adolescents to write, produce, and film a public service announcement about HIV prevention and translate the curriculum to an online facilitators' guide.
- 2015-2016 Privacy is as Privacy Does: Bringing evidence-based behavior change strategy to digital safety
Digital Trust Foundation
Co-Investigator (PI: Michael Rich)
Synthesize existing evidence concerning effective health behavior change strategies for young people to be relevant to the design of online privacy and safety programs. Report these results in a white paper and distribute the findings to a wide audience of academics, professionals, and clinicians.
- 2015-2017 Investigating How Adolescents Use Electronic Media and Communication Technologies as a Strategy for Coping with Symptoms of Depression
2015 OFD/RRRC/CTREC Career Development Fellowship
Principal Investigator (\$98,697)
Conduct research exploring the links between adolescents' media use and their mental health.
- 2016-2017 Evaluation of the Copyright and Creativity for Ethical Digital Citizens Curriculum
Comcast
Principal Investigator (\$43,529)
Evaluate the effectiveness of an in-school curriculum designed to teach middle school students about the role of copyright law in the age of digital creativity.
- 2016-2017 Free To Be 2.0
(NCE-2018) Armstrong Angel Foundation
Co-investigator (PI: Michael Rich)
Generate information to inform the creation of a tolerance focused social and emotional health curriculum by conducting focus groups, convening a conference of experts, and conducting a survey of the target audience.
- 2018-2019 Media Healthcare in Action 2.0
Harvard Pilgrim Healthcare
Co-Investigator (PI: Michael Rich)
Implement, evaluate and further improve the Center on Media and Child Health's Clinician Toolkit, which helps clinicians to recognize, assess, and address media-related health issues, including Problematic Interactive Media Use in their pediatric patients.

- 2018-2019 Dating apps and risky sexual behaviors among young adults: does Depression increase risk?
Aerosmith Endowment Fund at Boston Children's Hospital
Principal Investigator (\$10,000)
Design and conduct a survey study to determine how and why young adults use mobile dating apps, whether certain experiences with these apps contribute to risky sexual behaviors, and how symptoms of depression alter young adults' experiences with and consequences of the use of these apps.
- 2015-2020 More Play Today
Hasbro Inc.
Co-Investigator (PI: Michael Rich)
Design and conduct original research that examines the associations between young children's play and their developmental trajectory over the course of a year paying special attention to the role that digital play has in these changes.
- 2019-2020 Media Power Youth Screenshots: Teaching Young Adolescents to Use Media in Ways that Enhance their Wellness
Technology and Adolescent Wellness Grant
Lead Researcher (PI: Rona Zlowkower)
Evaluate an in-school media literacy curriculum for adolescents
- 2020 Identifying the Unique Characteristics of a Clinical Sample of Patients with Media-Use Disorders: Building toward a Research-Based Clinical Tool
McCarthy Family Foundation
Principal Investigator (\$10,000)
Determine recurring and dominant patters of behavioral and functioning domains among a patient sample of the Clinic for Interactive Media and Internet Disorders.
- 2020-2021 Youth-to-Youth Curriculum Design: Flexing Screenshots Beyond the Classroom through Project-Based Learning
Technology and Adolescent Wellness Program
Lead Researcher (PI: Heather Inyart)
Conduct formative evaluation of a project-based approach to teaching digital citizenship to middle school children.

Current

-
- 2020-2022 Leadership Education in Adolescent Health (LEAH) Project
MCHB/HRSA T71 MC00009
Co-I (Director of Research Training) (PI: SJ Emans)
The goal is to provide interdisciplinary training of physicians, nurses, nutritionists, social works, and psychologists for leadership in adolescent health, including research, clinical care, teaching and public health,

Report of Local Teaching and Training

Teaching of Students in Courses

2008	Growing up in a Media World Graduate Students	Harvard T.H. Chan School of Public Health 3-hour session
2008-2016	SBS 208 Adolescent Health MPH and PhD	Harvard T.H. Chan School of Public Health Annual 3-hour guest lectures
2010	SHH 213 Developing Radio Communications Public Health Graduate Students	Harvard T.H. Chan School of Public Health 1 3-hour session/week for 16 weeks
2011,2013, 2014, 2016, 2017	Informal Learning and Children Graduate Students	Harvard Graduate School of Education Annual 6-hour sessions
2016	Teaching Profession Symposium Graduate Students	Harvard Graduate School of Education 1-hour lecture
2017	Growing up in a Media World Graduate Students	Harvard Graduate School of Education 2-hour lecture
2020	SBS 509 Health Communication in the 21 st Century Public Health Graduate Students	Harvard T.H. Chan School of Public Health 1 3-hour session/week for 8 weeks
2021	SBS 208 Adolescent Health Public Health Graduate Students	Harvard T.H. Chan School of Public Health 2 1.5-hour sessions/week for 8 weeks

Formal Teaching of Residents, Clinical Fellows and Research Fellows (post-docs)

2012- present	Leadership Education in Adolescent Health Teen Pregnancy Case BCH LEAH Fellows	Boston Children's Hospital 3-5 sessions equaling 7 hours/yr
2013-2015	LEAH Fellows Guest Lectures BCH LEAH Fellows	Boston Children's Hospital 1-3 1-hour sessions/year
2015, 2016, 2018	Media and Adolescent Health Psychology Fellows Seminar Fellows	Boston Children's Hospital 1 1-hour session/year
2017	Social Networking and Eating Disorders: Online body comparisons and the thin ideal	Boston Children's Hospital

	BCH LEAH Fellows	1-hour session
2018-2019	Communicating with the Media: Dealing with the “Enemy of the American People” BCH LEAH Fellows	Boston Children’s Hospital 1-hour session/year
2018	Media and Adolescent Health: Navigating the risks of the digital age BCH LEAH Fellows	Boston Children’s Hospital 1-hour sessions/year
2018-present	LEAH Biostatistics section of Research Methods Course BCH LEAH Fellows	Boston Children’s Hospital 1-hr class session per wk for 5 wks
2018-present	LEAH Summer research Module BCH LEAH Fellows	Boston Children’s Hospital 4-6 1-hour sessions/year
2019-present	Media and Adolescent Health Mini-course BCH Fellows	Boston Children’s Hospital 2, 1.5-hr sessions/year
2020-present	LEAH Biostatistics Lab Section of Research Methods Course BCH LEAH Fellows	Boston Children’s Hospital 1-hr lab session per wk for 5 wks
2020-present	LEAH Research Methods Course BCH LEAH Fellows	Boston Children’s Hospital Course Director, oversee or teach 19 1-hour sessions over 8 months

Laboratory and Other Research Supervisory and Training Responsibilities

2006	Supervision of a Harvard Graduate School of Education Field Experience Program / BCH	One 1-hour meeting per week for 18 weeks and regular 1:1 supervision
2006, 2010, 2018-2019	Supervision of summer research internships	One 2-hour lab meeting per week for 9 weeks/yr and regular face-to-face meetings
2008, 2010, 2014-2015, 2018-2021	Research advisor for medical fellows	At least monthly research meetings and regular face-to-face, phone, and online interactions
2008-present	Supervision of work study research assistants / BCH	One 1-hour meeting per week for 18 weeks per student and regular 1:1 supervision
2011-2012 2017-2019	Supervision of practicum and other students from the Harvard T. H. Chan School of	One 2-hour lab meeting per week for 18 weeks per student and regular face-to-face

	Public Health/ BCH	meetings
2014-present	Supervision of research assistants/research coordinators / BCH	One or 2 1-hour lab meetings per week and regular 1:1 supervision
2017-2018	Supervision of post-doctoral research fellows/ BCH	One or 2 1-hour lab meeting per week and 1:1 supervision one hour per week

Formally Mentored Harvard Medical, Dental, and Graduate Students

2006	Christine Zanchi, EdM, Harvard Graduate School of Education Trained in survey design and completed Harvard Graduate School of Education Field Experience Program.	
2011	Rachell Arteaga, EdM, Harvard Graduate School of Education 2011 Served as a research assistant and participated in the design and implementation of multiple research projects.	
2011-2012	Sarah McKetta SM, Harvard T.H. Chan School of Public Health 2012 Completed her HSPH research practicum with me in which she contributed to multiple ongoing research projects.	
2015-2016	Kate Powell, EdM, Harvard Graduate School of Education 2016 Served as a research assistant, contributed to multiple research studies, and was a co-author on an oral presentation to the International Communication Association.	
2017-2018	Kornkanok Saringkarisate, MD MPH, Harvard T.H. Chan School of Public Health 2018 Completed her HSPH research practicum with me in which she conducted qualitative analyses of video data which lead to a submission to the Society for Research on Child Development annual meeting.	
2017-2019	Katy Weinberg, Harvard T.H. Chan School of Public Health SM Candidate Obtained funding for and is currently implementing a project to create and evaluate an HIV prevention health communication campaign featuring popular musical artists from Zambia.	
2021-present	Jessica Liu, Harvard T.H. Chan School of Public Health PhD student Writing a scientific manuscript examining the links between social media use and substance use among middle-school aged youth.	

Other Mentored Trainees and Faculty

2006	Hope Jackson, MD / Assistant Professor of Surgery George Washington University Hospital Career stage: Medical student. Mentoring role: research advisor. Accomplishments:	
------	--	--

Completed George Washington University Summer internship where she was trained in research methodology and produced new units of a media literacy course delivered to middle school students.

- 2007 Carolyn Lertzman, MPH/ Senior Manager, Inclusive Content Strategy, Social Responsibility, and Content Review, The Walt Disney Company
Career stage: Graduate summer intern. Mentoring role: Summer intern supervisor.
Accomplishments: Completed UCLA, Summer Intern/Maternal and Child Health MPH Summer Fellowship Program, co-authored a Society for Adolescent Health and Medicine abstract.
- 2008 Anna Maria Ocampo, MD / Pediatrician, Fontana Medical Center
Career stage: fellow. Mentoring role: research advisor. Accomplishments: Trained in data analyses and large dataset management and co-authored a presentation at the Society for Developmental and Behavioral Pediatrics
- 2008 Hernan Delgado, MD / Pediatrician, Beth Israel Deaconess Medical Center
Career stage: fellow. Mentoring role: research advisor. Accomplishments: Trained in data analyses and research methods and co-authored a Society for Adolescent Health and Medicine abstract.
- 2010 Richard Chung, MD MPH / Associate Professor of Pediatrics, Duke University School of Medicine
Career stage: fellow. Mentoring role: research advisor. Accomplishments: Trained in qualitative research methods, co-authored an academic article.
- 2010 Gabriella Heymann, MPH / Senior Policy and Programs Advisor, Population and Public Health, Ontario Ministry of Health
Career stage: Graduate student. Mentoring role: research advisor. Accomplishments: co-authored a presentation entitled “Measuring young adolescents’ media exposure: Comparing estimates from two methods” at the Society for Research in Child Development.
- 2010 Ethan Guinn, BA / IT Risk and Compliance Analyst II, Paycom
Career stage: undergraduate. Mentoring role: research advisor. Accomplishments: Trained in data analyses and research methods and co-authored a Society for Adolescent Health and Medicine abstract.
- 2011 Jeffrey Yang, MD / Assistant Professor of Clinical Pediatrics, Keck School of Medicine of USC
Career stage: fellow. Mentoring role: research advisor. Accomplishments: co-authored a presentation at the Maternal and Child Health Bureau Developmental and Behavioral Pediatrics Fellowship Annual Training Meeting.
- 2012-2014 Yulin Hswen, PhD / Assistant Professor, Epidemiology & Biostatistics, University of California San Francisco
Career stage: research assistant. Mentoring role: direct supervisor and research mentor.

Accomplishments: co-authored 3 published articles, 3 conference presentations and secured funding for 2 service projects; was accepted as a Ph.D. student at the Harvard T. H. Chan School of Public Health.

- 2012-2014 Kara Liebeskind (Garrity), PhD / Insights Manager, Smarty Pants
Career stage: Graduate student. Mentoring role: research advisor. Accomplishments: Co-authored a presentation at the Society for Research on Child Development.
- 2013-2014 Claire Christensen, PhD / Principal Investigator, SRI International
Career stage: Graduate student. Mentoring role: research advisor. Accomplishments: Co-authored an academic article.
- 2014-2015 Alyssa Bennett, MD / Assistant Professor of Pediatrics, University of Connecticut School of Medicine; Division Head Adolescent Medicine, The Burton and Phyllis Hoffman Family Endowed Chair in Adolescent Medicine , Connecticut Children’s Specialty Group
Career stage: fellow. Mentoring role: research advisor.
Accomplishments: Delivered an oral presentation at the North American Society for Pediatric Adolescent Gynecology and a poster presentation at the Pediatric Academic Societies.
- 2016-2018 Robyn Thom, MD / Staff Psychiatrist, Massachusetts General Hospital; Instructor, Harvard Medical School
Career stage: resident in psychiatry. Mentoring role: research advisor. Accomplishments: Completed her independent research as part of her psychiatry residency, was the lead author on an academic research article, and presented a poster at the American Academy of Child and Adolescent Psychiatry annual meeting.
- 2016-2017 Yun-Ming Chang, PhD / Assistant Professor in Psychology, Minnan Normal University
Career stage: Postdoctoral fellow. Mentoring role: research advisor. Accomplishments: Completed her post-doctoral research project and is currently preparing a manuscript for publication.
- 2017-2018 Lisa Hurwitz, PhD / Director of Impact Research, Newsela
Career stage: Postdoctoral fellow. Mentoring role: research advisor. Accomplishments: Completed her post-doctoral research fellowship, gave an oral presentation at the International Communication Association, obtained a research director position at a educational technology company, and published a first-author research article.
- 2018- 2021 Summer Moukalled / Medical Student, University of New England College of Osteopathic Medicine
Career Stage: Technical trainee. Mentoring role: Research supervisor. Accomplishments: Co-authored multiple national presentations and abstracts on topics including depression and adolescents’ media use, emotional and behavior problems associated with internet addiction, and associations between children’s play and screen media use. She is an author on a paper evaluating an in-school digital citizenship curriculum.
- 2018-2021 Stephanie N. Ferrin MD / Adolescent Medicine Physician, Assistant Professor, University

of North Carolina

Career Stage: Fellow. Mentoring role: Society for Adolescent Health and Medicine appointed mentor. Accomplishments: Launched independent research project.

- 2019-2021 Cameron Nereim MD / Assistant Professor of Pediatrics, Division of Adolescent Health, University of South Florida, Morsani College of Medicine.
Career stage: Fellow. Mentoring role: research advisor. Accomplishments: Published article in *Current Opinion in Pediatrics* and submitted manuscript to *Journal of Medical Internet Research*.
- 2021- Jacob Mattleman MSW LCSW / LEAH Social Work Fellow
Career Stage: Fellow. Mentoring role: Research advisor. Accomplishments: Completed an evaluation of a parent support intervention program for parents of patients of the Clinic for Interactive Media and Internet Disorders.

Formal Teaching of Peers (e.g., CME and other continuing education courses)

2009	Alone, Afraid, and Hostile: How Media Violence Can Change Teens 9th Annual Adolescent Health Care Conference, Preconference Adolescent and Young Adult Medicine at Boston Children's Hospital	Invited Presentation Boston, MA
2014	Cyberbullying: Managing Aggression in the Digital Age Adolescent Learning Community, Pediatric Physician Organization at Boston Children's Hospital	Invited Presentation Weston, MA
2014	Adolescents, Social Media, and Cyber Bullying Adolescent Learning Community; Pediatric Physician Organization at Children's Hospital Boston	Invited Presentation New Bedford, MA
2015	Internet Addiction, Sexting, and Cyber-Bullying McLean/Harvard Conference on Mental Health and Education 2015	Invited Keynote Cambridge, MA
2017	Social Networking and Eating Disorders: Online body comparisons and the thin ideal Boston Children's Hospital Eating Disorders Workshop	Invited Presentation Waltham, MA
2021	Problematic Interactive Media Use (PIMU): Gaming, Social Media, and More Boston Children's Hospital's Continuing Medical Education	CME co-director and moderator

Local Invited Presentations

- 2010
Cyberbullying: Powerful New Weapons in an Age-Old Conflict /Faculty Development
Office of Faculty Development, Boston Children's Hospital
- 2010
Media Education as a Health Intervention / Community Health Grand Rounds
Office of Community Health, Boston Children's Hospital
- 2011
Your Teens and the Internet: Tools for Staying Safe and Sane in the Digital Age / Keynote
Address
Center for Faculty Development and Diversity, Brigham and Women's Hospital
- 2012
Does it Really Matter? The Potential for Reality TV to Impact Health Behaviors / Series
Speaker
Maternal and Child Health Division, Harvard School of Public Health
- 2013
Responding to: Starting Early...Gender, Culture and the Media / Response and Discussion
Leader
Women, Gender, and Health Concentration, Harvard School of Public Health
- 2013
Media and Our Children / Speaker/Discussion Leader
Center for Faculty Development, Massachusetts General Hospital
- 2015
Internet Addiction, Sexting and Cyber-Bullying / Symposium speaker
Department of Psychiatry, Boston Children's Hospital
- 2016
Measuring Children's Play Experiences: Examining Play in the Digital Age/Speaker at
research meeting
Division of Adolescent/Young Adult Medicine, Boston Children's Hospital
- 2017
Center on Media and Child Health: Current Research and the Development of the
CIMAID Clinic / LEAH CORE speaker
Division of Adolescent/Young Adult Medicine, Boston Children's Hospital
- 2021
Young People's Media Use in the COVID Era: Opportunities and Challenges / Invited
Speaker
Department of Pediatrics, Boston Children's Hospital
- 2021
Tracking Trends in Media Use, Cell Phone Ownership, and Perceived Effects: Through the
Pandemic and Beyond! / Speaker at ongoing research series
Division of Adolescent/Young Adult Medicine, Boston Children's Hospital

Report of Regional, National and International Invited Teaching and Presentations

Invited Presentations and Courses

No presentations below were sponsored by outside entities

Regional

- | | |
|------|---|
| 2002 | Media use by children in two ethnic groups (selected oral abstract)
Southwest Society for Research in Child Development
Austin, TX |
| 2006 | Television and children's physical and academic health / Keynote speaker
Jump Up and Go Program of Blue Cross Blue Shield
Boston, MA |
| 2008 | Sex, drugs, and lock'n'load: How media affect youth and how we can harness media to promote public health / Grand Rounds
The Boston Public Health Coalition
Boston, MA |
| 2009 | Media education: Cultivating literacy in the digital age / Conference Speaker
Learning and the Brain Conference
Cambridge, MA |
| 2009 | Media, camera, action!: Teaching teens to prevent dating violence through media mastery / Conference presentation
HOME, Inc. conference, Media Literacy: 21st Century Skills.
Cambridge, MA |
| 2010 | Adolescents and the Internet: Tools for healthy development in the Digital Age / Invited Speaker to Hospital Staff
The Hospital of Central Connecticut
New Britain, CT |
| 2010 | Adolescents and the Internet: Tools for pediatricians in the Digital Age / Invited Speaker to Department of Pediatrics
The Hospital of Central Connecticut
New Britain, CT |
| 2011 | Contemporary Issues in Child and Family Studies / Guest lecture at Wheelock College
Boston, MA |

- 2011
The effects of advertising on the health of children / Invited Speaker to the Department of Psychology at Emmanuel College
Boston, MA
- 2012
Research Methods in the Social Sciences / Guest Lecture at Lesley College
Cambridge, MA
- 2012
The effects of advertising on the health of children / Conference Keynote
Psi Chi conference at University of Massachusetts Dartmouth
Dartmouth, MA
- 2012
Exploring the pathways from media use to obesity / Invited Speaker to Child Development Colloquium
Department of Psychology, University of Massachusetts Amherst
Amherst, MA
- 2013
Children and the Media / Guest lecture at Wheelock College
Boston, MA
- 2013
Growing up cyber: Tools for healthy development in the Digital Age / Invited Speaker to Pediatricians and medical professionals
The Brattleboro Retreat Collaborative Office Rounds
Boston, MA
- 2015
Teens and social media: Understanding use and preventing abuse / Invited speaker
Massachusetts Department of Public Health School-Based Health Center Program
Boston, MA
- 2016
Adolescents and the Internet: Tools for healthy development in the Digital Age / Invited Speaker
Southcoast Health Pediatric Clinical Education Summit
New Bedford, MA
- 2016
Children and the Media / Guest lecture at Wheelock College
Boston, MA
- 2016
Return on investment: Defining the ROI of play / Keynote research address
The Sandbox Summit Conference
Cambridge, MA

- 2016 Food Policy / Guest lecture at Emmanuel College
Boston, MA
- 2018 Media and Mental Health: Navigating the Risks of the Digital Age / Invited speaker to
mental health professionals
Ruderman Family Foundation grantee convening
Newton, MA
- 2019 Adolescent Mental Health Landscape and the Impact of Technology Use / Invited speaker
Ruderman Family Foundation International Advisory Board
Newton, MA
- 2019 Internet and Media Addiction / Invited speaker
Continuing Medical Education Program Holy Family Hospital
Methuen, MA
- 2020
Play in the Digital Age / Invited speaker to Child Development Colloquium
Department of Psychology, University of Massachusetts Amherst
Amherst, MA
- 2021 Strategies for Disseminating Media and Adolescent Mental Health Research / Invited
speaker to undergraduate course at Wellesley College
Wellesley, MA

National

- 2002 Educational media as a parenting tool: Implications for children's intellectual development
(selected oral abstract)
National Council on Family Relations annual meeting
Houston, TX
- 2003 Time well spent? The impact of electronic media use on children's free-time activities
(selected oral abstract)
Society for Research on Child Development biennial meeting
Tampa, FL
- 2004 Differences in children's electronic game play across ethnic groups (selected oral abstract)
American Psychological Association annual meeting
Honolulu, HI
- 2005 Linking television viewing and children's peer interactions: Rethinking displacement
(selected oral abstract)
Society for Research on Child Development biennial meeting
Atlanta, GA
- 2006 Influence of media on children's attention and comprehension / Address to NIH workshop:

- The Effects of Electronic Media on the Cognitive, Social, and Emotional Development of Children
National Institutes of Health
Rockville, MD
- 2006 The "Reality" of Health: Reality Television and the Public Health / Forum panelist
Henry J. Kaiser Family Foundation
Washington, DC
- 2007 Reality television, character identification, and adolescent body image: Idolizing the "real"
American body (selected oral abstract)
Society for Research on Child Development biennial meeting
Boston, MA
- 2007 Media as an ecological contributor to antisocial behaviors and academic achievement
(selected oral abstract)
Society for Research on Child Development biennial meeting
Boston, MA
- 2008 The problems and promises of video games: Exploring the research behind the claims /
Conference keynote speaker
Playing to Win: The Business and Social Frontiers of Video Games
State College, PA
- 2009 Take back the remote control: Media literacy for adolescent health / Workshop
Society for Adolescent Medicine annual meeting
Los Angeles, CA
- 2010 Children and the Internet: Tools for healthy development in the digital age / Conference
Speaker
American Academy of Physician's Assistants annual meeting
Atlanta, GA
- 2010 Review of recent research on Internet safety / Advisory Board Speaker
Symantec Norton Online Family Advisory Board
New York, NY
- 2011 Your teens and the Internet: Tools for staying safe and Sane in the Digital Age / Invited
Speaker
State of Michigan Cyber Summit
Ypsilanti, MI
- 2011 Empowering youth to lead healthy, safe lives through smart use of media / Invited Speaker
The Action Coalition for Media Education
Boston, MA
- 2011 Measuring young adolescents' media exposure: Comparing estimates from two methods

- (selected oral abstract)
Society for Research on Child Development biennial meeting
Montreal, Canada
- 2013 Session 1: Study Exemplars / Discussant comments.
The Contemporary Terrain of Children's Media Use: New Questions, New Methods, and
Emerging Phenomena Workshop
Northwestern University
Evanston, IL
- 2013 Brand integration in advergames: Impact on children's product preferences and nutritional
beliefs (selected oral abstract)
American Public Health Association
Boston, MA
- 2015 Adolescents and the Internet: Tools for healthy development in the Digital Age /
Conference speaker
Conference for Contemporary Pediatrics
Lexington, KY
- 2016 Passive sensing and ecologic momentary assessment of technology use (selected oral
abstract)
Society for Research on Child Development Special Topics Meeting on Technology and
Media in Children's Development
Irvine, CA
- 2017 Contributions of Research based on the PSID-CDS / Invited co-presenter
PSID 50th Anniversary User Conference
University of Michigan
Ann Arbor, MI
- 2018 Addicted to the Internet? Recognizing and treating Problematic Interactive Media Use
(PIMU) / Workshop presenter
Society for Adolescent Health and Medicine annual meeting
Seattle, WA
- 2019 Measuring Children's Modern Play Experiences: Examining Links between Play and
Development in the Digital Age (selected oral abstract)
Society for Research on Child Development
Baltimore, MD
- 2019 Chatting or Snapchatting? Depressed Adolescents' Affect During Technology-enabled and
In-person Social Interactions (selected oral abstract)
Society for Adolescent Health and Medicine
Washington, DC
- 2019 The Impact of Children's Play and Media Use on Executive Function Development

(selected oral abstract)
Pediatric Academic Societies Annual Meeting
Baltimore, MD

- 2020 Screenshots: Teaching Young Adolescents to Use Media in Ways that Enhance their Wellness
Technology and Adolescent Mental Wellness Colloquium
Virtual Event
- 2021 Investigating Reading in Children's Daily Lives: The Role of Screen Media Use, Parental Presence and Location (selected oral abstract)
Society for Research on Child Development
Virtual conference
- 2021 Youth-to-Youth Curriculum Design: The evolution of *Screenshots*, A school-based media literacy program
Technology and Adolescent Mental Wellness Colloquium
Virtual Event
- 2021 From Instagram to Internet Addiction: Adolescent Mental Health in the Digital Age
Karen Wells Distinguished Lecture, Psychiatry Grand Round, Duke University School of Medicine
Durham, NC (remote)
- 2021 Social Media, Loneliness, Anxiety, and Well-being
Children and Screen's Digital Media and Mental Health Research Retreat
Virtual Conference
- 2021 From Instagram to Internet Addiction: Adolescent Mental Health in the Digital Age
Penn Medicine Princeton House, Psychiatry Grand Rounds
Plainsboro, NJ (remote)
- 2021 Young People's Media Use and Remote Schooling Experiences during the COVID-19 Pandemic
Technology, Mind & Society, American Psychological Association (selected oral paper)
Virtual conference
- 2022 Measuring Out-of-School Play: Associations of Ecological Momentary Assessment Measures with Time-Use Diary and Parental Estimates
Learning through Play and Imagination: Expanding Perspectives; Society for Research in Child Development special topic conference (selected oral abstract)
St Louis, MO

International

- 2004 Media use and children's activities: Issues concerning social, physical, and cognitive development (selected oral abstract)
International Communication Association annual meeting
New Orleans, LA
- 2005 Growing up in the constant presence of television: Characteristics of young children in heavy television families (selected oral abstract)
International Communication Association annual meeting
New York, NY
- 2008 In the Middle of It All: Media and the Health and Well-Being of 7-10 Year-Olds /
Symposium keynote speaker
The Many Faces of Childhood Well-Being: The Middle Years (7-10)
Alberta Centre for Child, Family and Community Research
Calgary, Alberta, Canada
- 2008 MediaSmart school: Media literacy as health intervention (selected oral abstract)
International Communication Association annual meeting
Montreal, Ontario, Canada
- 2009 Media effects research as applied science: Social scientists surviving (and prospering) in a newly medicalized field (selected oral abstract)
International Communication Association annual meeting
Chicago, IL
- 2010 Media and the Development of the Child: An Ecological Perspective / Conference Speaker
Harvard-Australia Symposium on Media Use and Children's Well-Being
Flinders University
Adelaide, South Australia, Australia
- 2013 Speaking to medical practitioners about CAM
International Communication Association, Children and Media Preconference
London, England
- 2013 Efficacy of a school based intervention to reduce screen media time for 6th-8th graders (selected oral abstract)

- International Communication Association annual meeting
London, England
- 2014 Translating research knowledge to empower science-based parenting in the Digital Age:
The experience of the Center on Media and Child Health (selected oral abstract)
International Communication Association annual meeting
Seattle, WA
- 2015 Links between media-based peer connectivity and normative beliefs about sexual
behaviors (selected oral abstract)
International Communication Association annual meeting
San Juan, Puerto Rico
- 2015 Media use and depression: Exposure, household rules, and symptoms among young
adolescents
International Communication Association annual meeting
San Juan, Puerto Rico
- 2016 Measuring Children’s Play Experiences: Examining Play in the Digital Age
Calgary City Teachers' Convention
Calgary, Canada.
- 2017 Assessing the agreement of multiple methods of measuring children’s media use in US and
Mexican samples (selected oral abstract)
International Communication Association annual meeting
San Diego, CA
- 2018 Free to Be 2.0: Leveraging Similarities to Bridge Differences (selected oral abstract)
International Communication Association annual meeting
Prague, CZ
- 2019 Using Health Communication to Encourage HIV Prevention: Making Meaningful Music
UkaniManje Artist workshop
Lusaka, Zambia
- 2022 Emerging from the Pandemic: Children’s Media Use and Parental Attitudes in the Summer
of 2021
International Communication Association annual meeting
Paris, France (presented remotely)

Report of Education of Patients and Service to the Community

No activities below were sponsored by outside entities

Activities

- 2006 The Boys & Girls Clubs of Boston staff development day / Keynote Speaker

Address title: From Media Violence to Media Literacy: Keeping Kids Safe and Healthy in the Information Age

- 2006 Senate Judiciary Committee, Subcommittee on the Constitution, Civil and Property Rights / Witness
Hearing title: What's in a Game? State Regulation of Violent Video Games and the First Amendment
- 2008 Alberta Centre for Child, Family and Community Research / Parent Seminar speaker
Address title: Growing up in a digital world: Media and the healthy development of children
Seminar title: TV, Computers and Outdoor Play: Their effect on your child's social and emotional development
- 2009 Montana Behavioral Institute / Conference Speaker
Address 1 title: Media and Children's Health—Elementary and Early Childhood
Address 2 title: Media and Children's Health—Middle and High School
- 2010 The Hospital of Central Connecticut / Speaker
Address title: Adolescents and the Internet: Helping Parents Navigate the Techno-Environment
- 2010 The Center for Adolescent Health and Milford Regional Medical Center / Conference Keynote Speaker
Address title: Your teens and the Internet: Tools for staying safe and sane in the Digital Age
- 2011, 2012 Children's Hospital Neighborhood Partnerships / Speaker
Speaker at Reduced Screen Time Kickoff events at Lee Academy and Charles Sumner Boston Schools
- 2012, 2013 Boston Museum of Science / Speaker to Museum Volunteers
Address title: The Impact of Advergaming on Children's Food Preferences and Choices
- 2013 White House Convening on Food Marketing to Children / Attendee
Participant in a working meeting of academics, industry, and advocates to outline strategies for reducing advertising of unhealthy foods that target children.
- 2014 Boston Museum of Science / Speaker to High School Students
Event title: High School Science Series
Address title: Does using screens make us fat? Studying the effects of media use on health
- 2015 Watertown School District / Invited Speaker to Healthy Technology Use at Watertown Speaker Series
Address title: Technology and Child Development

- 2015 Boston University / Invited speaker to First Year Student Outreach Project
Address title: Media use and health and development of young people
- 2016 Hasbro Blogger Day at ToyFair / Invited speaker to bloggers
Address title: #MorePlayToday
- 2017 Boston Museum of Science / Future of Food Charrette
Served as a panelist in a discussion regarding “Food and Community,” and provided insight on the influences of advertising on the food choice and preferences of youth.
- 2018 Facebook/ Participant for Suicide Prevention and Mental Health Summit
Provided advice and planning for Facebook’s approach for managing indicators of suicidal intent and other mental health issues observed in Facebook posts and Facebook live videos.
- 2018 Boston Latin High School / Invited Speaker to Parents, Staff, and Students
Address title: Facing down Facebook and Chatting about Snapchat: Finding the Promise and Avoiding the Perils of Interactive media
- 2018 The Mission Hill School / Invited Speaker to Parents and Staff
Address title: The Important of a Healthy Screen Diet: Finding the promise and avoiding the perils of screen media
- 2019 Gateways: Access to Jewish Education / Invited Speaker for Parenting Speaker Series
Delivered an address entitled: Facing down Fortnite and Chatting about Snapchat: Finding the Promise and Avoiding the Perils of Social Media
- 2019 Massachusetts State House / Panelist providing testimony to the State Legislature’s Joint Education Committee.
Testimony given in support of two bills pertaining to Media Literacy education in Massachusetts, H.561 and S.259.
- 2020 Children and Screens / Invited facilitator
Participated in an online interactive workshop and lead a conversation between parents and experts in media and child development.
- 2021 Media Power Youth / Invited speaker to a high school workshop
Spoke to student members of a youth design team to provide them with a baseline of knowledge for their workshop in creating a digital citizenship curriculum.

[Educational Material for Patients and the Lay Community](#)

Books, monographs, articles and presentations in other media

2008	Testimony before Senate Judiciary Committee,	Book Chapter	<i>Opposing Viewpoints: Media Violence.</i> Farmington Hills, MI: Gale.
